

ST. COLMCILLE'S PRIMARY SCHOOL

Strategic Plan: **Strategy 2 Mathematics & Numeracy**

Aim	<ol style="list-style-type: none">1. That our pupils acquire knowledge and skills to be their individual best.2. That our pupils are able to work independently.
Goal	<ol style="list-style-type: none">1. The pupils are provided with a range of relevant and purposeful opportunities to develop their ability to apply their mathematical skills across the different ATs and Learning Areas.2. That every child is enthusiastic about mathematics.
Targets	<ol style="list-style-type: none">1. By 2019 the Maths Mastery programme will be the approach to teaching mathematics in Key Stage 1.2. By 2020 pupils will use appropriate Mathematical language to demonstrate their understanding particularly in mental maths and problem-solving & investigations.3. By 2021 there will be appropriate differentiation within maths lessons to meet the needs of all learners.4. By 2021 the differential between the pupils' potential and their actual outcome in the below average stanine group will be 4% - targeting low/under achievement. Target: CATQ - PTM = 4%5. By 2021 there will be at least 10% of pupils achieving above their expected outcome in the above average stanine group - targeting high/over achievement. Target: CATQ + 10% (at least) = PTM
